

Career and College Promise

March 7, 2014

**Wesley Beddard
NCCCS Associate VP
Student Learning and Success**

The Good News!

The new Program Coordinator for
CCP, Early Childhood, and other
Public Service Programs starts

March 17!!!

CCP

- The purpose of Career and College Promise is to offer structured opportunities for qualified high school students to dually enroll in community college courses that provide pathways that lead to a certificate, diploma, or degree as well as provide entry-level job skills.
- Wesley's Translation – This is not Huskins and Concurrent Enrollment repackaged.

CCP

Three pathways:

- 1. College Transfer Pathway**
- 2. Career and Technical Education Pathway**
- 3. Cooperative Innovative High Schools (*which include Early College HS, Middle College HS, and others*)**

CCP

College Transfer Pathway

- **Currently – 4 CT Pathways**
- **Proposed – 2 CT Pathways (SBCC in March)**
 - CT Pathway Leading to the Associate in Arts**
 - CT Pathway Leading to the Associate in Science**

CTP - AA UGETC for AA plus ACA 122

CTP – AS UGETC for AS plus ACA 122

CCP

College Transfer Pathway (cont.)

- No foreign language
- Student must complete the entire pathway before taking additional courses in the degree.
- Student enrolled under Provisional Status may only enroll in English and math and successfully complete both with a grade of C or better before enrolling in other pathway courses.

CCP

Maintaining Eligibility for CT & CTE Pathways *Including 9th and 10th graders in the selected CTE Pathways*

Student must:

- 1. Continue to make progress toward HS graduation, and**
- 2. Maintain a 2.0 GPA in college coursework after completing two courses.**
- 3. (Proposed) A student who falls below a 2.0 GPA after completing two college courses will be subject to the college's policy for satisfactory academic progress.**

CCP

Eligibility Criteria for CT and CTE Pathways

Determine who is eligible to participate (and for whom colleges can earn FTE)

- **College Transfer Pathway– Jr. or Sr.; weighted GPA 3.0, and demonstrate college readiness.**
- **CTE Pathway - Jr. or Sr.; weighted GPA 3.0 OR recommendation of HS principal or designee, and meet the prerequisites for the career pathway.**
- **CTE 9th and 10th graders – Industrial or Engineering Technologies only. Separate criteria for 9th and 10th graders.**

CCP

Eligibility Criteria for Cooperative Innovative High Schools

**Established jointly by local boards of education and
local boards of trustees.**

CCP

Eligibility – Key Points

Eligibility for participation in a program does not trump prerequisites.

For example: BIO 111 is a prerequisite for BIO 112.

College Readiness Benchmarks for the CT Pathway are eligibility criteria for the CT Pathway and do not automatically apply to students in CIHS.

CCP

- **When is someone officially a 9th, 10th, 11th, or 12th grader?**

Determined by the LEA.

- **Can CCP students enroll in summer school?**

Yes, on a self supporting basis.

- **What about earning FTE for CCP students in Tier I courses during the summer?**

There is currently not anything in the Operating Procedures/SBCC Code to prohibit this.

Questions?!?
