Best Practices Breakout Session Information

Each of the sessions are designed so that participants will first hear a best practice in the topic area, and then, they will have the opportunity to share with their colleagues the great things they are doing at their institution in a speed-dating format. Participants will be able to rotate through the session to share with as many of their colleagues as possible. Have your business cards ready!

Best Practices From Across the 58 (9:20am - 10:30am)

- Student Information Systems (Rm. 108)
*How is your college using student information systems to provide a robust student services experience?
i.e., Self-Service, Student Planning, Auto-Graduation, Advising/Retention, etc.
Moderator: Patrick Holyfield, Dean of Enrollment Management, Stanly Community College*
- Policies & Procedures (Rm. 109)
*What updates has your college made recently, due to local or System-level changes in processes?
i.e., Admissions deadlines, non-attendance, Gainful Employment, student conduct, etc.
Moderator: Dr. John Paul Black, Dean of Student Services, Lenoir Community College*

Best Practices From Across the 58 (1:00pm - 2:00pm)

- Enrollment Efforts (Rm. 108)
*What has your institution done to develop and support healthy enrollment at your college?
i.e., Recruitment Planning, Outreach, Opportunities, Reports, etc.
Moderator: Sabrina Terry, Dean of Enrollment Management, Surry Community College*
- Preparing for the Future (Rm. 109)
*What is your institution doing to position itself for the future?
i.e., Succession Planning, Assessing your Services, Strategic Planning, Trends, Demographic Shifts, etc.
Moderator: Dr. Alison Wiers, Associate Vice President Student Support Services, Guilford Technical Community College*
