Developmental Education Alignment Project

February 21, 2024 – Curriculum Course Review Committee Spring Meeting

New courses were approved.

Revisions approved for courses that had state-level developmental or supplemental requisites (including the gateway courses) which removed state-level developmental/supplemental requisites and will now allow implementation of the approved placement framework.

Crosswalks have been distributed to the 58. Updated crosswalks to be released once CCR courses become available.

Summer 2024 – Summer 2025

Early Adopter colleges will have access to the new courses

Course resources to be developed (teams meeting in April)

Professional development for faculty and staff to be developed and deployed

DEAP Crosswalks

Proposed English Crosswalk

Gateway Course	Propose New ENG Course	RISE Course	DRE/Multiple Measures Course	ENG/RED Course
ENG-110**	ENG-025, grade of A, B, or C **OR** ENG-045, grade of A, B, or C	ENG-002, grade of P1 or P2 (ENG 110 Only) **OR** BSP-4002, grade of P1 or P2 (ENG 110 Only)	DRE	
ENG-111		ENG-002, grade of P1 (ENG-111 + ENG-011) **OR** BSP-4002, grade of P1 (ENG-111 + ENG-011)	DRE	
		ENG-002, grade of P2 (ENG-111 Only) **OR** BSP-4002, grade of P2 (ENG-111 Only)	DRE	

Notes:

The model selected from approved framework will determine how courses are offered locally. ENG-025 course. ENG-045 can be used as a co-req course. *See page 2 for visual of the course options within the*

*Proposed local direct placement option for ENG-110 – If local direct placement option for ENG-110 is a direct placement for ENG 110 would not require ENG-025 or ENG-045 for students enrolling in ENG-110

**Completion of ENG-110 would allow direct placement into ENG-111.

FAFSA "Simplification"

The US Department of Ed will begin releasing ISIRs (student FASFA data) in March. Colleges are still awaiting the Ellucian patch. The S.O. financial aid team and FA Review Committee have worked diligently to position your FA Offices to award as soon as they begin receiving ISIRs. On February 15, Brandi Massey notified colleges that the FA template patch is available, and that Annual Setup registration is open. The FA Setup Guide will be available soon.

Common Digital Transcript

In Session Law 2023 Section 8A.15, the Common Digital Transcript project is assigned to SEAA. The three public education sectors (public schools, UNC, & NCCCS) are mandated to participate in the design, development, and maintenance of a common digital transcript that is (1) available to all students, (2) secure/confidential, (3) compatible with all 3 sectors, and (4) free of cost to students. The first progress report is due March 15, 2024. System Office staff have participated in two planning meetings where direction and design are being discussed.
